Your Excellency,

Greetings from Bethlehem University in the Holy Land!

On behalf of Brother Peter Bray, FSC, Vice-Chancellor, I wish to acknowledge receipt of the generous contributions received from the EOHSJ - USA North Central Lieutenancy through the EOHSJ - Grand Magisterium as follows:

- \$5,608.50 to support the Archeology Program.
- \$12,390.00 to support the Students with Special Needs.

In conclusion, of the Golden Jubilee celebrations of Bethlehem University, a dedication ceremony for the new Students and Visitors Building, named the "Georgette Salameh Center," was held on Sunday, October 1, 2023. This historic occasion was marked by a festive celebration, attended by local and international guests, friends and supporters. With this occasion, we also acknowledged Brother Peter Bray's 15 years of dedicated service to Bethlehem University and welcomed Brother Hector Hernán Santos González, FSC, EdD, who will assume the position of Vice Chancellor by the beginning of 2024.

Thank you for your much-needed support. It is encouraging to us here in the Holy Land to know that you support the educational mission of Bethlehem University and what it provides to the youth of Palestine.

Please continue to keep us in your prayers as we move into an unpredictable future.

Gratefully,

Shahinda Nassar
Advancement Office Manager
